I hereby acknowledge that by completing this Account Application I have provided personal information, which may constitute “personal data” within the meaning of the Irish Data Protection Acts 1988 to 2018, the General Data Protection Regulation (Regulation (EU) 2016/679), the EU ePrivacy Directive 2002/58/EC (as amended) and any relevant transposition of, or successor or replacement to, those laws (including, when it comes into force, the successor to the ePrivacy Directive) (together, the “Data Protection Legislation”). Part 14

Part 15
Declarations
and Signatures

The applicant, having received and considered a copy of the Prospectus, hereby confirms that this Account Application is based solely on the current Prospectus and the material contracts therein referred to together (where applicable) with the most recent annual report or semi-annual report and accounts of the Company.

The applicant hereby represents that it has regular access to the internet. The applicant acknowledges that it has been offered the choice of receiving the KIID and MDD applicable to the Fund(s) and share class(es) to which it is subscribing on paper and in electronic form by means of a website and hereby specifically consent to receiving the KIID and MDD in electronic form by accessing the latest version of the document online at dodgeandcox.com (or such other website address as may be notified to the applicant from time to time).

The applicant hereby acknowledges that it has received on paper or accessed by electronic means the KIID and MDD. The applicant also consents to accessing the KIID and MDD by electronic means before making any subsequent and/or future subscriptions for Shares in any share class and/or Fund.

The applicant hereby acknowledges and consents that, except where otherwise required by law, this Account Application, all related documents, and statements of my account will be drafted and provided only in English.

Where the applicant is acquiring the Shares for or on behalf of any person in its capacity as a sub-distributor of the Company, the applicant certifies that prior to accepting any order for the acquisition of Shares, the applicant will ensure that the investor will be provided with the current KIID and MDD for the relevant share class. Where permitted by applicable law, "provided" shall include informing the investor of the applicable website where the KIID and MDD may be obtained, which is dodgeandcox.com (or such other website address as may be notified to the applicant from time to time).

The applicant acknowledges that it may at any time request a hard copy of any such documentation from the Company and/or revoke, in writing or other authorised manner, the consent given to receive such information electronically.

The applicant undertakes to observe and be bound by the provisions of the Constitution of the Company (as amended from time to time) and apply for the Shares issued in relation to this Account Application to be entered in the register of Shareholders in the applicant's name (or in the name of a nominee or agent).

Part 15
Declarations
and Signatures
(continued)

The applicant acknowledges that, owing to anti-money laundering requirements operating within their respective jurisdictions, the Company, its Directors, the Manager, the Administrator, the Investment Manager, and any distributor which may be appointed (as the case may be) may require further identification of the applicant(s) before the Account Application can be processed and the Company, its Directors, the Manager, the Administrator, the Investment Manager, and any distributor which may be appointed shall be held harmless and indemnified against any loss arising as a result of a failure to process the Account Application if such information has been requested by the parties referred to and has not been provided by the applicant.

The applicant acknowledges that subscription monies received by a Fund in advance of the issue of Shares will be held in a single umbrella cash account opened in the name of the Company (the “Umbrella Cash Account”) and will be treated as an asset of the relevant Fund. For the avoidance of doubt, such monies will not be held in an account that is subject to the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) Investor Money Regulations 2015 for Fund Service Providers. Accordingly, subscribing investors will be unsecured creditors of the relevant Fund with respect to the subscription amount until the corresponding Shares are issued on the relevant Dealing Day. Such investors will not benefit from any appreciation in the Net Asset Value of the Fund or any other Shareholder rights in respect of the subscription amounts (including dividend entitlements) until such time as the Shares are issued.

The applicant acknowledges that monies held in an Umbrella Cash Account will be commingled with the assets and liabilities of the other Funds and will be exposed to counterparty risk, the risk of market conditions generally, the Fund’s creditors and any other risks affecting the relevant Fund. In the event of an insolvency of a Fund, there is no guarantee that the Fund will have sufficient funds to pay unsecured creditors (including investors entitled to subscription, redemption and dividend payments) (see above) in full.

The applicant acknowledges that no interest will be paid on the amounts held in the Umbrella Cash Account prior to the payment of any redemption or dividend proceeds. Any interest earned on the monies in the Umbrella Cash Account will be for the benefit of the relevant Fund and will be allocated to the Fund on a periodic basis for the benefit of the Shareholders at the time of the allocation.

The applicant hereby authorises the Administrator to accept and execute any instructions, (including but not limited to any instructions regarding subscriptions, switches, transfers, or redemptions of Shares or any payment in relation to same or otherwise) in respect of Shares to which this Account Application relates, given by the applicant in written form, by email, by facsimile, by telephone, or by electronic means. If the instructions are given by the applicant by telephone, the applicant undertakes to confirm them in writing. The applicant hereby agrees to indemnify each of the Administrator, the Manager, and the Company and agrees to keep each of them indemnified against any loss of any nature whatsoever arising to any of them as a result of either of them acting upon instructions given in written form by the applicant, i.e., email, facsimile, or telephone instructions confirmed by the applicant in writing. The Administrator, the Manager, and the Company may rely conclusively upon, and shall incur no liability in respect of, any action taken upon any notice, consent, request, instruction, or other instrument believed in good faith to be genuine or to be signed by properly authorised persons.

The applicant consents to any notice or other document to be sent by the Company, the Manager, or the Administrator to the applicant as a Shareholder, by electronic means including but not limited to e-mail, SWIFT, or posting such notice or other document on a website notified to the applicant by post or by e-mail.

The applicant agrees to provide these representations to the Company, its Directors and/or the Manager at such times as either of them may request and to provide on request such certifications, documents, or other evidence as the Company, its Directors and/or the Manager may reasonably require to substantiate such representations.

The applicant understands that the representations and warranties made herein are continuous and all subsequent subscriptions of Shares in a Fund by the applicant shall be governed by them, and the applicant agrees to notify the Company, the Manager, or the Administrator immediately, if any representation or warranty is no longer accurate and to abide by any directions from the Company, the Manager or the Administrator arising as a result.

Declarations
and Signatures
(continued)

The applicant confirms that it is not acquiring Shares in a Fund on behalf of, or for the benefit of, a U.S. Person (as defined in the Prospectus), nor does the applicant intend to transfer any Shares which may be purchased to any U.S. Person.

The applicant hereby certifies that it is aware of the risks involved in the proposed investment as set out in the Prospectus.

The applicant undertakes to advise the Company, the Manager, or the Administrator promptly and provide updated information where any change in circumstances occurs which causes any of the information contained in this Account Application to be incorrect.

Collective Investment Schemes in Securities (CIS) should be considered as medium to long-term investments. The value may go up as well as down and past performance is not necessarily a guide to future performance. CIS are traded at the ruling price and can engage in scrip lending and borrowing. A schedule of fees, charges and maximum commissions is available on request from Dodge & Cox Worldwide Funds plc. Neither the Company, the Manager, nor the Investment Manager provides any guarantee with respect to the capital or return of a portfolio. A CIS may be closed to new investors in order for it to be managed more efficiently in accordance with its mandate. CIS prices are calculated on a net asset basis, which is the total value of all the assets in the portfolio including any income accruals and less any permissible deductions (brokerage, STT, VAT, auditor's fees, bank charges, trustee and custodian fees, and the annual management fee) from the portfolio divided by the number of participatory interests (units) in issue. Forward pricing is used. CIS performance is calculated and reported using net NAV to NAV numbers with income reinvested. Where foreign securities are included in a portfolio there may be potential constraints on liquidity and the repatriation of funds, macroeconomic risks, political risks, foreign exchange risks, tax risks, settlement risks, and potential limitations on the availability of market information. The investor acknowledges the inherent risk associated with the selected investments and that there are no guarantees.

Shareholders may file any complaints about the Company or a Fund free of charge at the registered office of the Company as listed on the first page of this application. A response to any complaint will be provided within five business days following receipt of the complaint.
